

Elk River/Zimmerman HS Band Tour
tentative dates: March 29th - April 5th, 2021 (Spring/Easter Break)

Companion Signature Form

Companions are family or community members wishing to travel with the ELk River/Zimmerman Bands on our trip to Hawaii. These are non-chaperones that have no specific duties. Companions may follow the same itinerary as the ER/ZHS Band or deviate from the group as desired. Companions under the age of 18 must be accompanied by an adult. Families are discouraged from bringing family members under the age of six. The school reserves the right to deny individuals that would interfere with the normal process of this school activity. All individuals traveling with the ER/ZHS Band must agree to a background check performed by the ISD-728 School District administration office. Companions can be additional parents not chosen as official chaperons that wish to join us on this tour. However, your role will be as a guest of the tour, not as a parent, and may not remove your student from the group for special favors or circumstances. Students must room with other students, not in family rooms.

To attend this year's Performance Tour as a companion, please fill out this application and the Adult Background Check and return it to the band office by Tuesday, Feb.13th. An information packet including the payment schedule and travel information will be provided to all participants - it is the same as the students receive. Trip inclusions are the same as students and chaperones. Total trip cost for companions is listed on the inclusion sheet, plus \$100.00 per person additional companion fee. Companions still get the same great savings already present in the group buying power of the trip thus making this more affordable than possible as an individual. The additional \$100.00 fee is used to reduce the overall cost for the students including equipment shipping costs. Please fill out one application per companion. If you are unsure about who you want to room with, please attend the informational meeting and meet someone new.
