

# LEADERSHIP SEMINAR WITH TODD DUFAULT

You have been invited to participate in a Music Student Leadership Training. The 3 high school band programs, ZHS-ERHS-RHS, are combining together to bring in a prominent speaker on Music Student Leadership. Mr. Todd Dufault will be coming to the center of the district at ERHS to present a 3-part seminar/training to our music student leadership from the 3 high schools. Mr. Dufault is well known for his work in this area and is an outstanding speaker and clinician - you will really enjoy having the opportunity to work with him, he is very exciting and motivating! We are investing a lot of money to bring Todd to our district, this is a special opportunity. Go to [www.todddufault.com](http://www.todddufault.com) to learn more about Todd and his experience in this area. There is a \$15 fee that covers all 3 sessions.

The 3-part seminar will take place on the first Monday of the months of October, November, and December (10/7 - 11/4 - 12/2), from 3-5pm, in the ERHS band room. About a dozen students from each of the 3 high schools will be participating in the seminar.

You must commit to all 3 sessions to be a representative of our band program. Please look at your after school schedules for conflicts with sports, drama, work, etc... If you cannot participate let me know so I can invite other students in your place. I will cover the cost of the seminar so there will be no cost to you, must provide your own transportation.
