

Elk River/Zimmerman HS Band Tour Student Application
tentative dates: March 29th - April 5th, 2021 (Spring/Easter Break)

STUDENT SIGNATURE FORM

The Zimmerman and Elk River High School Bands will be traveling to the beautiful Islands of Hawaii in the spring of 2021. We will be performing for audiences on the Islands of Oahu and the Big Island, including a performance at the Pearl Harbor Memorial. The Elk River and Zimmerman Bands combine together every 4 years allowing all our High School Band students one opportunity to experience this Positive Life Changing Experience of travel and performance in an exotic location. This tour is designed to provide outstanding performance opportunities, historical/educational experiences, and memories to last a lifetime. We will be having several fundraising opportunities throughout the year (TBD). Additional information and forms will be added regularly to each of our school websites (www.zimmband.com -or- www.erband.com), or by contacting the directors.

The initial deposit of \$250.00 will be due by Tuesday, Feb. 13th, to secure a spot on the tour. After that the remaining balance will be divided into three equal payments due at the end of May, September, and final balance January 2017. You must create an online account through the Hawaii State Tours website, and click on the OHANA link on the bottom of the page. All payments must be made through this online account, no exceptions - we will not collect payments at school.
